

IN THE HIGH COURT OF JUSTICE

KING'S BENCH DIVISION

Master Davison
19TH March 2024

BETWEEN

CHERYL PLUMMER LP

CLAIMANT

and

STEPHEN FLATTERY & PERSONS UNKNOWN

DEFENDANTS

ORDER

UPON it appearing that issue of the writ of possession herein may have been procured by fraud

AND UPON the court's own motion

IT IS ORDERED THAT:

1. Execution is stayed.
2. Unless by 4pm on 2nd April 2024 the claimant shows cause why the writ of possession herein should be upheld, the writ will, without further order, stand as revoked and set aside.
3. Because this order has been made without a hearing any party affected may apply to set it aside or vary it.

REASONS

Information provided to the court from Hertfordshire Police has caused me to scrutinise the materials that were supplied to the court when permission to issue a writ of possession was sought. Close examination of those materials has revealed numerous indicators of fraud. The order made in these circumstances is self explanatory.
